⚠ *These are a very good start. PLEASE get to it. This could honestly be what helps preserve our values and saves your life/livelihoods. MOST of the organizations above are NOT militias, but they ARE mostly-armed gatherings of like-minded patriots who are willing to stand together against this absolute joke of an election and against communism.* ⚠

🔴 **Don't believe the smears about any of these organizations. They are comprised of good people fighting for what's right and the MSM uses sensationalism against them in order to delegitimize them. Their tenets are strong, moral, and there are loads of active/ex military involved. Get to know them and find out more.**

**EDIT:** Thank you to everyone for helping, for fighting, and for spreading the word. Every little bit truly helps. If ANY of you have any other ideas, I will gladly add them here.

Optics is most important when truth is involved so mass countrywide protests at all state capitals and county seats will be helpful if you can't make it to DC. The message to all subversives is that Patriots are good to go - everywhere - anytime - anyplace - so FAFO!
